MR. SALVADOR V. BRIONES II
Assistant Professor IV
PSU Goa Campus

Dear **Mr. Briones:**

This is to officially inform you of the approval of your research study entitled "***Institutionalization of Operational Guidelines and Procedures on the Deployment and Usage of e-SITIO*** " under the research project "***Expansion Of E-Sitio: A Data-Driven Approach Towards Transformative Local Governance***" with funding support from PSU Research and Exploration Fund amounting to **Php 290,112.00.** This serves as an official **NOTICE TO PROCEED** to the implementation of the project with an approved duration of **January 2024 to December 2024**. This entitles you to a credit load of 3 units as Study Leader.

As proponent, you are advised to **implement and access fund** of such project in accordance to the approved line item budget, to wit:

1. Prepare the Project Procurement Management Plan (PPMP) based on your approved budget, have it signed by you as end user, by Ms. Amalia O. Ocampo as evaluator (Budget Officer), by Ms. Aster B. Mabana as reviewer (TWG, Chair), and approved by Dr. Raul G. Bradecina, as Agency Head. Once approved, please submit a photocopy to this office.

2. The approved PPMP should be coordinated/ consulted with Mr. Jefferson O. Coruno at the Procurement Office for his advise as to the preparation of Purchase Request (PR) and Purchase Order (PO).

3. Fund utilization for said project should be based on the amount and items indicated as attached in the approved proposal and budget and should be in accordance with the existing accounting and auditing rules and regulations.

4. All modification/s of the project proposal or any deviation in the implementation should be reported and requested officially to the Office of the Research and Development and VPREKM for review/approval. It should be prepared by the project leader and duly endorsed by the head of the implementing campus/college addressed to the University President.

5. Monthly research progress report with budget utilization should be submitted to this office using the PSU-F-RES-27 format.

6. It is expected that the projects/study be implemented and completed in accordance with approved duration. Delay or non-completion of the research project without justifiable reason may cause audit observations and issues.

Congratulations and good luck!
