Dear Mx Abio,

Thank you for your abstract submission entitled, **"PORTABLE SELF-RUNNING ELECTRIC GENERATOR"**. On behalf of the organizing committee, we are happy to inform you that your abstract submission has been **ACCEPTED for Presentation** at the **BFHE Research, Development, And Extension Symposium** during the **BFHE Annual General Assembly on** April 17-18, 2023 at the University Gym, Ateneo de Naga University.

Should you have any questions or concerns, feel free to reach out by emailing bfheresearchcolloquium2023@gmail.com.

Thank you, and we look forward to meeting you in person during the colloquium!

Sincerely,

(SGD).

April 17 – 18, 2023 | Ateneo de Naga University

Paper Presentation Guidelines

1. Only accepted papers are eligible to present their research paper.
2. The presentation shall start around 10:30 AM and end at around 4:30 PM, with a lunch break and a working afternoon snack. The venue is on the 1st Floor, Fr. Godofredo B. Alingal Hall. Ateneo de Naga University
3. Presenters from each topic strand/thematic area shall be divided into a breakout room for a concurrent paper presentation. A moderator is designated in each room to ensure smooth and successful presentation.
4. Only one presenter is allowed to present their paper and shall be given 15 minutes for the presentation and another 10 minutes for an open forum and in responding to possible questions raised.
5. All presenters and moderators shall strictly follow and observe the allotted time to honor the presentation schedule and the presentations' timing.
6. A Best Paper Presenter in each room or within a thematic area/s shall be chosen using the following criteria:
   - Originality of Work (40%)
   - Significance of Project (30%)
   - Clarity of Presentation (20%)
   - Technical Presentation of Paper (10%)

   With a total of 100 %.
7. Three (3) notable judges with commendable expertise in each field shall be in the room but with no introduction to ensure a more engaging and dynamic paper presentation and forum between and among the presenters, audience, and judges. Rather, the list of judges in each room shall be announced during the announcement of Best Presenters.
8. Time stamps will be signaled to ensure the presentation ends within the prescribed duration.
9. On the Presentation Proper:
   - Each presentation shall start with a short introduction to the presenter using their uploaded bio note, the research title, coauthor, and institution/s.
   - Each breakout room will be provided with an Android TV and a laptop for PowerPoint presentations.
   - Therefore, it is highly suggested that presenters upload their PPT on their personalized drive link to avoid possible delays.
   - Presentations that require videos and audio must communicate and reach out to the Paper Presentation Committee before their scheduled talk.
   - All possible concerns of the presenters shall be communicated at least 6 hrs before their talk.

BFHE RESEARCH, DEVELOPMENT, AND EXTENSION SYMPOSIUM

SECOND CALL FOR PAPERS

The BFHE is accepting abstracts for paper presentations during the **BFHE Research, Development, And Extension Symposium**, the second day of the Annual General Assembly. The aim of the paper presentations is for participants from various HEIs in the region to share innovations and best practices among HEIs for continual improvement along with instruction, research, extension, and administration. Papers may be based on completed or ongoing projects, preferably collaborative research, while papers about special projects should be about conducted Extension projects or programs. Papers should be on any of the following thematic areas:

1. Climate Change
Any research, development, and extension projects that generate new knowledge on climate change adaptation, disaster risk and management, disasters and hazards, vulnerability, livelihood, climate change interventions, and other topics that deal with promoting community resiliency and adaptive capacity

2. Tourism, Culture, and Social Realities
Knowledge generated on tourism management, attractions, preferences, economic valuation of tourism commons, policies and economics, and value chain analysis, assessment of the tourism industry
Studies that deal with traditions, oral history, and traditional knowledge management systems
Gender development, food security, poverty, governance, sustainable development

3. Biodiversity
Documentation of the diversity of life on earth and identification of the factors that generate and maintain this diversity on a local and/or regional scale, the importance of the conservation of biodiversity, and sustainable use of natural resources

4. Economic enterprise, development, and special projects
Best practices and management, economic analysis, factors influencing enterprise development, policy analysis, behavior and attributes, and related concerns such as the impact of climate change on economic enterprise

5. Education, Innovation, and Future Outlooks
Loss of learning, the economics of education, administration and education outcomes
Innovative interventions, the role of local governance
Sustainable paths, future thinking, strategic design, design thinking

Submission Format, Acceptance of Papers, and Symposium Proceedings

1. Submission of abstracts is until April 7, 2023, via email (michael.clores@parsu.edu.ph)
2. The submission of papers for presentation will be in the form of extended abstract (See the template below).
3. Notice of Acceptance of papers will start from April 8, 2023.
3. All presented papers will be published in a copyrighted Symposium Proceedings to be distributed as either hardcopy or PDF.

Title of the presentation
[center, Times New Roman, 14pt]

Author(s) Name(s) and Affiliation(s)
[center, Times New Roman, 12pt]

Extended Abstract
[Align left, Times New Roman, 12 pt, single (1.0) spacing: 1000 - 1500 words]

A suggested structure is either (a) a long manuscript-style abstract or (b) an abstract by the main section. Below is a recommended style when you choose (b).

Introduction
Present the background and rationale of your research.

Objectives
Present the objectives of your research.

Methodology
Present data and/or analytical strategy employed in your paper.

Findings
Present key findings from your analysis.

Conclusions
Present conclusions, implications, and/or recommendations.

References
[Alphabetic order. A style is free but must be consistent.]

Keywords
[3 – 5 keywords]
