IIRC 2020 **PRIMER**

Due to the continuing threat posed by COVID 19 and considering the advice of competent authorities, the APMAPERE Board of Directors and PCPD Training Center has decided to migrate the 2020 International Integrated Research Conference online. To calibrate this year's proceedings and facilitate a comprehensive online activity, IIRC designed this PRIMER.

MESSAGE FROM THE PRESIDENT OF THE REPUBLIC OF THE PHILIPPINES

MESSAGE

My warmest greetings to the **Asia Pacific Movement for the Advancement of Pedagogy and Research** and the **Philippine Continuing Professional Development Training Center, Inc.** as they hold the **International Integrated Research Conference 2020**.

Your organizations have been integral partners of the government in ensuring that our people are equipped with the necessary knowledge and skills to succeed. I thus welcome this opportunity for researchers and scholars to share the latest knowledge in this field, particularly in the aspect of criminal justice.

May this gathering allow the participants to address the gaps and challenges in their various fields of expertise. May you also continue to inspire one another to strive for excellence so that you can all achieve greater heights.

Together, let us realize our potential and build a more progressive and dynamic future for our nation.

I wish you an engaging and insightful event.

MESSAGE FROM THE VICE PRESIDENT OF THE REPUBLIC OF THE PHILIPPINES

MESSAGE

Greetings to the organizers and participants of the International Integrated Research Conference 2020.

Amid these challenging times, the call to educate and empower remains sound. It is crucial to continuously enhance our skills in our respected fields so that we can cope not only with what we now refer to as a "new normal," but flourish in something that is even a "better normal." That is why it is so inspiring to see that the International Integrated Research Conference 2020 continues to champion learning at a time when we all need to be better equipped with the knowledge to fight, and most importantly, to succeed as a nation.

Your theme, "Autonomy of Learning and Integrated Research towards Industrial Revolution 4.0"' is proof positive that our educators and researchers are focused on intensifying their skills so that we can use technology to our advantage to survive the harrowing effects of this pandemic. May the studies you publish not only inspire and assist each one of you, but also your successors---our future leaders and game-changers. Indeed, this virtual gathering proves that no amount of physical confinement can stop us from learning. Mabuhay kayong lahat.

Professional Excellence as our Commitment

The Philippine Continuing Professional Development Training Center, Inc. or PCPD Training Center, Inc. believes that advancement in any field of knowledge is largely due, in part, to on-going researches and technical trainings that aim to gain new ground in explaining theories and phenomena. Outside this would only be a repetition of formerly held beliefs and understandings which only reiterates what most know as truth and thereby remain stagnant. As such, it is but imperative that in the advent of new technologies and social constructs that adaptation through methodological analysis and reconstructions be the course taken by any field of knowledge, particularly, that which holds itself under the jurisdiction of social sciences.

Mission

The Philippine Continuing Professional Development Training Center, Inc. or PCPD Training Center, Inc. seeks to design workshops and trainings that would enhance the natural learning experiences of professionals as they aspire to enhance their technical skills.

Vision

To train and develop a truly excellent Filipino professional who would contribute to nation-building; that is our commitment.

Core Values

Design, develop and provide trainings and workshops rooted in excellence and integrity is our guiding principle.

ASIA-PACIFIC MOVEMENT FOR THE ADVANCEMENT OF PEDAGOGY AND RESEARCH (APMAPERE), INC.

VISION

APMAPERE is the leading advocate in the advancement of teaching pedagogies and research in the Asia Pacific.

MISSION

To advance teaching pedagogies and research in Asia Pacific Region.

CORE VALUES

Design, develop, and provide training programs and workshops in pedagogies and research rooted in excellence and integrity.

GOALS

- To be a community where continuous and measurable improvement in education, specifically on pedagogies and research, is the standard founded on holistic character.
- To be recognized by the community for excellence in education and as potent partner in other relevant endeavors.
- To be an innovative leader in research, science, and technology education.
- To be an organization where all members and clienteles are treated equitably and honestly.
- To be a learning organization, where all staff members are empowered and supported in reaching their full potential.
- To be a workplace where the atmosphere of trust encourages creativity and innovation.
- To be an environment where values, cultures, diversity, and gender awareness are observed and practiced.

Application to the Conference:

The conference is open to all interested parties. There are two ways of participation, to wit:

1. **Research Presenters (Oral or Poster)-** researchers may submit the abstract of their study to the secretariat. Once the study is accepted, they will be asked to submit the full paper. (Submission is subject to IIRC guidelines).

2. **Participants or non-presenters -** usually participate to listen to the plenary speakers and to join in the research conference proceedings.

The Conduct of the Conference

IIRC 2020 will be done purely online. The secretariat will utilize different media platforms depending on the needs of the activity. Here are the following platforms that will be utilized in the conference:

1. **Google Classroom** – this will serve as the main platform for the conference. We will utilize the classroom to upload the links, announcements, and materials for the conference. This will also be the avenue where the secretariat can post real time updates on the conference.

2. **YouTube-** this will be used for plenary sessions and long talks. Pre-recorded and live videos of the plenary speakers will be aired through this video streaming platform. The secretariat will utilize the 'premiere' function of the site to encourage synchronous participation. This will also be the platform where the pre-recorded research presentations are streamed. After the streaming of the pre-recorded presentations, all the presenters of each breakout session will be asked to log-in to a google meet meeting.

3. **Google Meet/ Zoom-** will be used by the panels of each breakout session to deliver feedback to the presenters after each of the presentations are streamed in YouTube.

Research Areas

The research conference accepts papers in the following research areas:

1. STEAM (Science, Technology, Engineering, Agriculture and Mathematics)
2. Pedagogies and Practices
3. Environment and Climate Change
4. Criminal Justice
5. Integrated Research
6. Mental Health and Psychology
7. Leadership, Management and Community Development

Publication

The conference will produce three publications.

1. **Book of Abstracts**. This will be an online publication that will feature all accepted abstracts by participating researchers in the conference.

2. **Kahusayan Journal.** Top 45 papers selected by the panel and the board will be published on the 'Kahusayan: An Interdisciplinary Journal on Educational Research'. The IIRC Secretariat has partnered with Chapter House Publishing Inc. to make this possible. The papers will be published in two batches since the journal is a bi-annual publication.

3. **Philippine Criminology Journal.** This publication is for selected researches presented in the Criminal Justice breakout session of the conference. This will be published in both printed and digital copies.

4. **Philippine Journal of Action Research.** Consists top 20 of action research study presented under the breakout session on Pedagogies and Practices. This publication will be digitally available.

Papers selected for publication will undergo a tedious review process. Each article will be reviewed by experts in specific fields: researchers, statisticians, and grammarians. Papers selected during the IIRC 2020 will be published on the 2021 issues the journal.

DR. RAUL G. BRADECINA
SUC President III
This University

Sir,

My warm greeting!

The abstract of my research entitled "**AbioSort: The Representative-based Selection Sort Algorithm**" was accepted for presentation in the ***International Integrated Research Conference 2020 (IIRC2020)*** online hosted by PCPD Training Center, Inc. this coming October 16-18 and 23-25, 2020. I am currently working on its full paper which is required to submit until this September 30, 2020 including its registration fee amounting Php 4500.00 to confirm my slot reservation as presenter in the said conference. In this regard, may I humbly request your favorable approval and at the same time a school support and assistance particularly on the payment of the said registration fee. The invitation letter is attached to this letter for your reference.

I am hoping that this letter will merit your most favorable response.

Thank you very much!

Very truly yours,

ARJAY F. ABIO
Instructor I
PSU San Jose Campus

September 23, 2020

Arjay F. Abio, MIT

Peace and goodness be unto you!

After a careful review of your submitted abstract, **"AbioSort: The Representative-based Selection Sort Algorithm"** the Panel of Reviewers of the 2020 International Integrated Research Conference **hereby accepts the said study for presentation** at the actual conference (either oral or poster presentation).

We will publish the final abstract for inclusion in the book of abstracts to be distributed during the conference. However, the actual schedule for your presentation will be communicated at a later date after all the research studies have been submitted.

In the meantime, please note of the following details: the conference will be held online on October 16-18 and 23-25, 2020. Registration fee is at Php 4500.00. Please register through the link and depositing the fee at the indicated bank account. Note that there are only 250 slots and slots are only confirmed reserved once payment has been made.

To provide more details on the conference, our Secretariat can be contacted at 09178053370, 09338674931 and (02) 79871356.

As I anticipate your favorable response, allow me to extend my gratitude in advance.

Sincerely,

DR. REY GARNACE
IIRC 2020 Conference Chair
