TRAINING ON THE PREPARATION OF THE LUDIP
LAND USE DEVELOPMENT AND INFRASTRUCTURE PLAN

18 October 2022

DR. RAUL G. BRADECINA
President
Partido State University

Dear President Bradecina:

Warm greetings from the UP School of Urban and Regional Planning (UP SURP)!

Republic Act 11396 or the "State Universities and Colleges (SUCs) Land Use Development and Infrastructure Plan (LUDIP) Act" requires SUCs to prepare and implement their campus land use plans and infrastructure projects. The Commission on Higher Education (CHED) and UP SURP designed an online capacity building program for SUCs to enable them to prepare their respective LUDIPs, per a Memorandum of Agreement (MOA) between the two institutions.

In this regard, we would like to invite **one (1) representative from each of your SUC Satellite Campuses** to participate in Modules 1 and 2 of the training that will commence on November 7, 2022. Please ensure that your representative has a background in any of the development sectors namely: social, economics, physical, environmental, and institutional. We kindly request the representatives to fill out the pre-registration form found on this link: https://forms.gle/tCbTy2AS7FUfDswQ8 by October 31, 2022. Only those who have successfully registered will be granted access to the e-Learning Portal.

We look forward to your institution's participation. Thank you.

Very truly yours,

DAVID LEONIDES T. YAP, PhD.
LUDIP Project Leader / Course Director
