for TEST – ENGINEERING AND MANAGEMENT JOURNAL*

Paper Title: Design and Development of Pili (Canarium Ovatum Engl.) Knowledge Base: A Foundation for Application of Semantic Web

NOTICE OF ACCEPTANCE

Dear Authors:

It is my pleasure to inform you that your paper presented at the ICET 2019 Conference has been accepted for publication in the TEST – ENGINEERING AND MANAGEMENT JOURNAL, Vol. 23 planned to be published in year 2020 after an extensive refereeing procedure.

We deeply appreciate your submission to our journal, TEST – ENGINEERING AND MANAGEMENT.

Please accomplish and sign the attached Copyright form, if you agree to have your paper published in our Journal. Please send us back the form with your information via e-mail (icet.hnu2019@gmail.com).

Following Copyright form, please submit your paper presented at ICET 2019 conference with minor revisions**. Please resolve issues in the attached anti-plagiarism test result and do necessary revisions to meet the similarity index of 10% or less. Please see attached referees' comments for your revisions. Please submit the camera ready draft of your final paper in word (docx) format.

Also, please be aware that publisher cannot publish articles that are the same as in other journals, only an extended version with at least 30% difference can be considered for publication. You must change your title and some sentences a little bit. Please submit you revised paper by red color. If you are not able to submit your papers until June 27, 2020, please inform us of the approximate date that you will send your paper by e-mail (icet.hnu2019@gmail.com).

For publication fee in the amount of Twelve Thousand Pesos (Php12,000.00), please deposit in the following account number:

Account Name: Philippine Society of Information Technology Educators (PSITE) Foundation, Inc.

Account Number: 8275-8055-57

Branch: Bank of the Philippine Islands (BPI), Olongapo City

Please email the scanned copy of the validated deposit slip and/or confirm your payment thru email address icet.hnu2019@gmail.com.

Thank you very much.

Sincerely yours,

GILBERT TUMIBAY, Ph.D.
Conference Chair, ICET 2019

TEST is primarily a print publication, circulated FREE to qualified test engineers who perform, manage, and/or otherwise participate in physical, mechanical testing and environmental simulation— typically at the design prototype level.
