TITLE: Web-based System for State Universities and Colleges Budget Office Management

AUTHORS: Joni Neil Capucao, Thelma Palaog and Sean Sierra

---------- Overall evaluation ----------
SCORE: 1 (weak accept)
----- TEXT:
Figure 1, 2, 5, 7 are not clear, please change the figure to the better resolution
Overall, the flow of this paper is clear, easy to follow and understandable.
However, the authors need to add strong evidence behind why they choose RAD method.
Please add more explanation about how the authors gathered documents using PM, WI, and PPMP.
In the conclusion, the authors do not clearly conclude the evaluation result of the proposed system design. Please add the result of your evaluation to state that your proposed design has satisfied the requirements.
