Dear President Zarcedo:

Good day!

The Partido State University (PSU), through its Information and Communication Technology Management Office (ICTMO), has successfully conceptualized and pioneered a Real-Time Comprehensive Knowledge Management System (CKMS) otherwise known as the Electronic System for Inter-Connected Transformative Information On-Demand (e-SITIO). This aims to serve as repository of updated baseline data with real-time functionality and reflective of the actual situation of every sitio/zone in all barangays of the municipality of Goa.

The Local Government Unit of Goa expresses its sincere gratitude to the development of e-SITIO for its invaluable assistance in transforming public service delivery and elevating it to a new level through data-driven governance and development.

In keeping the e-SITIO data accurate, reliable and updated, the e-SITIO operators, end-users, and stakeholders must be regularly updated with the issues and concerns encountered during the collection, submission and updating of e-SITIO data.

In this regard, we would like to request for a technical assistance from the ICTMO staff that developed the e-SITIO in the conduct of orientation/re-orientation of the elected/re-elected and appointed/re-appointed barangay officials as well as the Sitio Health Workers. This will be held on February 29, 2024 from 8:00 am to 5:00 pm at Goa Multi-Purpose Sports Complex.

Thank you for the unwavering support.

Very truly yours,

ENGR. MORIEL L. PRADO, EnP

Dear Sir,

I am writing on behalf of our partners in the e-SITIO, an approved research & extension project, to request the use of your facility for our upcoming event scheduled for February 29, 2024, and March 12, 2024. We believe that the RDE Training Hall's strategic location and excellent amenities make it the ideal setting for our event.

The said event will be an Orientation/Re-Orientation of Barangay Officials on the updating of the E-SITIO data, and we are anticipating approximately 200 attendees per day. We would require the venue from 8:00 AM to 5:00 PM on February 29, 2024, and March 12, 2024.

Thank you for considering our request. We are looking forward to potentially hosting our event at your esteemed venue.

Best regards,

ICTMO
