Dear Asst. Prof. JONI NEIL B. CAPUCAO,

Greeting from Cherrie, the conference secretary of ICCET 2021 (http://www.iccet.org/index.html).

2021 The 4th International Conference on Communication Engineering and Technology (ICCET) to be held in Shanghai, China during February 25-27, 2021 and it will be run alongside with ICCBN 2021. http://www.iccbn.org/. ICCET is an annual conference which aims to present the latest research and results related to Communication Engineering and Technology topics. With the successful experience of the last 3 years in Singapore, Nagoya Institute of Technology, Japan, AUT, New Zealand, we will see that ICCET 2021 will come to China to achieve another success and provide a better platform for all the participants to have fruitful discussions and to share ideas of researches.

Thanks for your reviewing work in the previous editions. With your highly support, the conference had a great success. And we hope to have your continued support to ICCET&ICCBN in 2021 as well. As a technical committee member, please help us to review 2-3 papers when the review begins. We are glad to offer you the below privilege for your support to the conference:

-- 30% off for your registration fee

-- Technical committee certificate

-- Listing your information on conference website

It will be sincerely appreciated if you can reply before or on **20th July, 2020**. If this email disturbs you, please let me know and I won't send again in the future.

Best Regards

Happy New Year from ICCET | Technical Committee

iccet <iccet@academic.net> Thu, Dec 31, 2020 at 2:51 PM

Dear technical committee member,

Greeting from the conference committee. We just want to say how thankful we are for your support this year, and we're wishing you all the best as we enter a brand new year... Many people spent a year of worried and tired under the impact of COVID-19, but your hard work has helped to make our best!

We still have some exciting things planned for 2021 that we would like to show you! We're thrilled to have you along for the ride this year. If possible, please kindly help to forward the below email to other scholars who interested in this field.

Please do take care and wish you all the best! May you and your family have a safe and happy new year!

Welcome you to **ICCET2021** ! The conference is calling for papers. The online presentation is also an acceptable way for your participation! ICCET aims to be an excellent setting to discuss the current progress in Communication Engineering and Technology related fields.
