Dear Assoc. Prof. Joni Neil B. Capucao,

This is Cherrie, the conference secretary of ICCET 2022. How are you recently? Take care and keep healthy during the pandemic.

The 5th International Conference on **Communication Engineering and Technology (ICCET: http://www.iccet.org/)** will be held on **February 25-27, 2022 in Shanghai, China**. ICCET is an annual conference which aims to present the latest research and results related to Communication Engineering and Technology.

Thanks for your continued support in the previous editions. With your highly support, the conference had a great success. And we hope to **have your continued support to the technical committee for ICCET in 2022 as well.** As a technical committee member, please help us to **review 2-3 papers** when the review begins. We are glad to offer you the below privilege for your support to the conference:

-- 30% off for your registration fee

-- Technical committee certificate

-- Listing your information on conference website

It will be sincerely appreciated if you can reply before or on **July 19, 2021**. If this email disturbs you, please let me know and I won't send again in the future.

Best Regards

Ms. Cherrie YANG

Secretary of ICCET2022

Speech Title: Multimode silicon photonics: beyond the singlemode regime

Invited Speaker-Prof. Chen Chen
Xidian University, China
Speech Title: Vehicle-Road Cooperation Research and Practice on Laboratory Testbed

This conference aims to provide an excellent platform for the participants to share brilliant ideas of original research, and to build international links. We deliver our promise to helping create a bright picture and charming landscape for the Electronics Engineering and Technology. We received submissions; those manuscripts provide a good spectrum of research on the use of today's main topics.

Best Presenter-Session 1- Topic: Signal Estimation and Analysis
Best Presentation
Paper ID: IT1-134
Paper Title: A MASH2-2 Sigma Delta Modulator with NTF Zero Optimization Technique
Presenter: Chengren Jing, Sichuan University, China

Session 2-Topic: Data Networking and Security
Best Presentation
Paper ID: IT2-008
Paper Title: Cross-Domain Wi-Fi Sign Language Recognition with GANs
Presenter: Hebao Zhang, University of Science and Technology of China, China
