MINUTES OF THE 2ND QUARTER UNIVERSITY RESEARCH, EXTENSION AND KNOWLEDGE MANAGEMENT COUNCIL (UREKMC) VIRTUAL MEETING HELD ON MAY 26, 2021, 2ND FLOOR COED BUILDING, PARTIDO STATE UNIVERSITY, GOA, CAMARINES SUR- 8:00 A.M.
(10th Regular Meeting – Via Zoom)

I. PRELIMINARIES

A. CALL TO ORDER

The meeting was called to order at 8:48 A.M. by the Chair-VP Patricia M. Candelaria.

B. OPENING CEREMONIES

A short prayer was led by Ms. Hazel Jean Pesino-GAD Focal Person, it was followed by the recitation of the vision, mission and quality policy by Ms. Kimberly M. Acerado-R&D staff. However, a call was received by the Chair, informing her of the emergency meeting of the crisis management team which required her attendance so the meeting was temporarily suspended.

C. ROLL CALL / DETERMINATION OF QUORUM

At exactly 11:00 A.M., the meeting resumed. The Chair called the council secretary to determine if there was still a quorum.
The council secretary determined the quorum. At the time of the determination of the quorum, there were 60 registered participants present via zoom, hence there was a quorum.

D. READING AND APPROVAL OF MINUTES AND MATTERS ARISING THERETO

The Council secretary, Dir. L. Lanciso read the minutes of the previous meeting conducted last February 18, 2021. While reading, the following issues / concerns were raised:

Dr. B. Gumba asked if the copy of the minutes was sent to the members, since according to her, she did not receive it. She was informed that it was emailed on the same day of the meeting.

The council secretary read the minutes which according to her was captured verbatim due to the complaints she received during the previous council meeting. Upon some clarification Dr. B. Gumba agreed on how the council secretary captured her idea in the previous meeting. However, Mr. R. Saballegue raised some comments when the chair seeks for the approval of the minutes. According to him, he has some reservation on the way the format of the minutes was presented since it looked like a transcript that provided so much details. He even recommended that the council secretary must undergo some training. Thus, he was not for the approval of the minutes. Based on the chat recorded, the council secretary informed the body why such transcript was presented since a member had a clamor the way the previous minutes was presented. Deliberations happened, and the chair again called for the approval of the minutes. Dr. A. Zarcedo moved for the approval of the minutes of meeting as corrected and it was duly seconded. Hearing no objection for the second time, the motion was approved.

E. APPROVAL OF THE PROPOSED AGENDA

The Chair presented the lone proposed agenda for approval and endorsement titled: Conferment of Plaque / certification to the published faculty in the annual university awards and 5 matters for information. She also asked permission to add an announcement about the status of the BCIEERD and BCHD proposals. Hearing no objection from the body, Dir. R. Tabardillo moved for the approval of the agenda and was seconded by Dr. B. Gumba.

F. PRESIDENT'S UPDATES AND DIRECTIONS

The president gave status of his possible exposure to a covid positive during a meeting and announced to dispel employees' anxieties that his exposure was just a very few minutes with observance of social distancing. He reminded everyone to observed proper IATF protocols. He also mentioned about selecting key items to subject for promotions following the guidelines for institutional promotion by next year. According to him the guidelines will be more rigorous than the NBC. For faculty to be promoted internally, he/she must have a good performance in research and must have demonstrated a scholarly behavior. Professors must undergo accreditation. The guidelines once approved by the BOR, hard copy of which will be provided to faculty for standardization of the research guidelines, deloading privileges, etc. to be discussed later.

G. REPORT OF STANDING COMMITTEES

The chair gave thanks to the President for his updates and directions. Then called for the reports of the standing committees, Dir. R. Tabardillo for the Research & Extension Direction and Utilization, the Committee on Researchers' and Extensionists' Welfare by the Chair, Dr. Bernadette G. Gumba, Research Review and Evaluation by Dir. Luisa Lanciso, Committee on Extension Review and Evaluation by Dir. Rosemarie Tabardillo.

Research & Extension Direction and Utilization:

No proposals submitted to the committee for presentations and endorsement for approval by the council.

Researchers' and Extensionists' Welfare:

There were two proposals discussed, 1 is the conferment of the plaque or certificate to published faculty in the annual university awards and the other one was extension health and safety manual which was temporarily withdrawn for further consultation with the faculty members.

Research Review and Evaluation:

A review of proposals was conducted on the following dates; Jan 27-29, and Feb. 10-11, 2021. There were 92 submissions of Research Proposals (RPs), CAS- 10; CBM-10; CET-15; CoEd- 15; SGS- 6; Car-5; SanJose- 10; Lag-16; Salogon-1; Sagnay-1, Tin- 2; and No Campus-1. Out of 92 reviewed, 90 were revised and 87 were approved.

Extension Review and Evaluation:

Dir. R. Tabardillo presented the first quarter accomplishment of the UECS. For active linkages, target is 1, accomplishment is 4; number of trainees rated by length of training, target is 3, accomplishment is 5; for presentation of beneficiaries, target of 97%, accomplishment is 100%; Accomplishment for PBB is 100% accomplished. Reviewed of proposals as of May, 15 proposals were reviewed and only 3 proposals were approved. Others are on going revisions.

H. MATTERS FOR APPROVAL / ENDORSEMENT

Dr. B. Gumba presented her committee's proposal on Conferment of Plaque/certification to the Published Faculty in the Annual University Awards. After the presentation, the chair, VP Patet, suggested to the proponent to give a name to the award to be given to the faculty. Just like Kilyab award for RD winners, Balaog for extension, sanggaya for outstanding university researcher and balalong for university outstanding extensionist. She added that description of the award should also be given for establishing the connection of the award. Dir. L. Lanciso suggested if it would be possible to connect the plaque or certificates to the existing monetary incentives for publication and techno awards. Since what was lacking in that proposal is the awarding of the plaque or certificates. In that case, a legal basis for

awarding is already established. This suggestion was agreed favorably by the proponents. Board Sec Leih Anne Odoño asked how the proposal of Dr. Gumba differs from the BOR referendum No. 11, s. 2019 Approving the Proposed Revise Policy on Incentives for Publication …University Faculty Research Output which is the KILYAB Award and for the Research Output Patented and Commercialized or Utilized. It was explained that this proposal is for inclusion of the awardee during the recognition rites, where a certificate or plaque was given since the monetary incentives were already provided using the above BOR approval as legal basis. Dir. L. Lanciso, suggested, if possible, approval of this proposal is on the level of the UREKMC only and integrate the awarding of certificates to the formerly BOR approved awards. Dir. R. Tabardillo and Dr. W. Solomo, supported the suggestion of Dir. L. Lanciso. Since there was a confusion on the categorization of publication, Mr. C. Cerio suggested that he will provide a link reference for that purpose. An agreement that Dr. B. Gumba will show the final proposal to Mr. Cerio before submitting it to the office of the VPREKM. The chair asks for more suggestions, hearing none, she solicited for the endorsement of the proposal. Dr. W. Solomo endorsed for the approval of the proposal by the UREKMC and was duly seconded by Dr. L. Lustre.

ACTION TAKEN: The Proposal on "Conferment of Plaque or certification to the Published Faculty in the Annual University Awards". was approved by the UREKMC.
