Tsinghua University
Research Centre for Public Health

Approval Form

尊敬的教授您好：

清华大学公共健康研究中研究课题技术审查委员会

Dear Professor:

The Board at the Research Centre for Public Health, Tsinghua University, has approved the extension for a study of the *Birth Defect Prevention and Treatment Research Program in Asian Developing Countries*. We decided to approve the request of Ms. Francia Cruz- Lisay due to the revision of the study conducted and the difficulty to gather the data that is appropriate for the objectives of the study.
