Dear **Mr. Baldo:**

We acknowledge receipt of your letter dated April 20, 2021, concerning your study leave to take up MS Applied Biological Science at the Chulabhom Graduate Institute, Bangkok Thailand, starting this May 2021.

We understand that with this development, you need to forego your role as project leader and designate Mr. Darwin Gebeles to take your place. We are happy to note the activities that were undertaken by the project in the first quarter of its implementation and we look forward to its completion by Mr. Gabeles.

We wish you all the best. Thank you.

Very truly yours,
