MEMORANDUM OF AGREEMENT
FOR THE
INNOVATION, SCIENCE AND TECHNOLOGY FOR ACCELERATING REGIONAL TECHNOLOGY-BASED DEVELOPMENT (ISTART) PRE-IMPLEMENTATION

KNOW ALL MEN BY THESE PRESENTS:

This **MEMORANDUM OF AGREEMENT** made and entered into this ____ day of March 2021 by the following:

The **PROVINCIAL GOVERNMENT UNIT OF CAMARINES SUR**, with official station at Provincial Capitol Complex, Cadlan, Pili, Camarines Sur and represented in this Agreement by its Governor, **MIGUEL LUIS R. VILLAFUERTE**, herein referred to as the **"LGU Camarines Sur"**;

The **LOCAL GOVERNMENT UNIT OF PASACAO**, with principal address at Sta. Rosa, Del Norte, Pasacao, Camarines Sur and represented in this Agreement by its Mayor, **NIÑO A. TAYCO**, herein referred to as the **"LGU Pasacao"**;

The **BICOL STATE COLLEGE OF APPLIED SCIENCES AND TECHNOLOGY**, a government-owned institution of higher learning, engaged in education, research and extension, with address at Peñafrancia Avenue, Naga City, represented herein by its President, **ALEX H. NAVARROZA**, hereinafter referred to as **"BISCAST"**;

The **CAMARINES SUR POLYTECHNIC COLLEGES**, a government-owned institution of higher learning, engaged in education, research and extension, with address at San Miguel, Nabua, Camarines Sur, represented herein by its President, **CHARLITO P. CADAG**, hereinafter referred to as **"CSPC"**;

The **PARTIDO STATE UNIVERSITY**, a government-owned institution of higher learning, engaged in education, research and extension, with address at San Bautista Street, Goa, Camarines Sur, represented herein by its President, **RAUL G. BRADECINA**, hereinafter referred to as **"ParSU"**;

The **CENTRAL BICOL STATE UNIVERSITY OF AGRICULTURE**, a government-owned institution of higher learning, engaged in education, research and extension, with address at San Jose, Pili, Camarines Sur, represented herein by its President, **ALBERTO N. NAPERI**, hereinafter referred to as **"CBSUA"**;

The **UNIVERSITY OF NUEVA CACERES**, a privately-owned institution of higher learning, engaged in education, research and extension, with address at J.Hernandez Avenue, Naga City, represented herein by its President, **FAY LEA PATRIA M. LAURAYA**, hereinafter referred to as **"UNC"**;

and

The **DEPARTMENT OF SCIENCE AND TECHNOLOGY REGIONAL OFFICE NO. V (DOST RO-V)**, with principal office at Regional Center Site, Rawis, Legazpi City, Philippines, represented in this Agreement by its Regional Director, **ROMMEL R. SERRANO**, herein referred to as the **"DOST V"**;

LGU-Camarines Sur, LGU-Pasacao, BISCAST, CSPC, ParSU, CBSUA, UNC and **DOST V** shall be hereinafter collectively referred to as the Parties.

WITNESSETH:

WHEREAS, Executive Order No. 128, series of 1987 mandates the Department of Science and Technology (DOST) to provide central direction, leadership, and coordination of scientific and technological efforts and ensure that the results therefrom are geared and utilized in areas of maximum economic and social benefits for the people;

WHEREAS, the DOST believes that development and growth of a geographical location is determined by a comprehensive and sound development plan anchored on key drivers of growth;

WHEREAS, the DOST, in fulfilling its mandate, implements programs and projects such as ***"Innovation, Science and Technology for Accelerating Regional Technology-Based Development (iSTART)",*** which supports geographically balanced development by accelerating regional growth through science and technology, and innovation;

WHEREAS, the iSTART program aims to support balanced development geographically by accelerating regional growth through science, technology, and innovation. Specifically, it aims to: 1] assist LGUs in developing a technology-based development plan for the agri-based, manufacturing, and services sectors; 2] attract new technology-based investments in accordance with the validated plans in collaboration with LGUs; and, 3] engage Researchers, Scientists, Engineers (RSEs) who will support technology-based investments and projects in the region;

WHEREAS, the **Province of Camarines Sur** is one of the regions to pilot this program which is one of the top 20 provinces identified as new Growth Areas through a DOST-funded R&D project by U.P. Planning and Development Research Foundation, Inc. (UP PLANADES);

WHEREAS, LGU-CAMARINES SUR has identified **LGU-PASACAO** as a growth area and one of the best performing LGU in the province of Camarines Sur;

WHEREAS, LGU-CAMARINES SUR commits the assistance and supervision to ensure that identified programs, projects and activities is aligned to the Provincial Development Plan;

WHEREAS, the **LGU-PASACAO** recognizes the importance of using science-based tools in crafting/updating a provincial comprehensive development plan;

WHEREAS, the **LGU-PASACAO** seeks to design technology-based development plans for the agri-based, manufacturing and services sectors to attract more investments into their locality;

WHEREAS, the **LGU-PASACAO** pledges to extend their full support and assistance for the effective and efficient implementation of the iSTART Program;

WHEREAS, the **BISCAST, CSPC, ParSU, CBSUA, UNC** are academic institutions with research and development and extension (R&DE) programs functioned to make its technical assets, capabilities and expertise available to its service areas where these are needed, useful and relevant;

WHEREAS, the **DOST V** recognizes the willingness, commitment and capability of **LGU-Camarines Sur, BISCAST, CSPC, ParSU, CBSUA, and UNC** in ensuring the successful implementation of the project at **LGU PASACAO;**.

NOW THEREFORE, for and in consideration of the foregoing premises, and in recognition of shared interest in strengthening science, technology and innovation

activities, the **DOST V, LGU-Camarines Sur, LGU-Pasacao, BISCAST, CSPC, ParSU, CBSUA, and UNC** subject to their respective rights and obligations, have reached the following mutual agreement to cooperate and endeavor to achieve its objectives:

GENERAL AGREEMENT

1. Subject to their respective rights and obligations as set out in this Agreement, the Parties shall cooperate and endeavor to achieve the following:

GENERAL PROVISIONS

2.1 Designate **focal persons** that shall be a member of the **core team responsible** for leading the project that the institution has committed to implement in the project area. The focal person shall review, monitor and provide comments and feedback on project implementation, and as such. The designated focal person per institution shall be identified through a Special Order issued by the respective institutions and shall be the basis for the payment of honorarium subject to existing government accounting and auditing rules and regulations;

3.1 Acknowledge the partnership in all reports, products, paper and materials produced out of the program;

4.1 Provide other assistance as may be identified and agreed upon by the parties.

5.1 RESPONSIBILITIES OF DOST V, LGU-CAMARINES SUR, LGU-PASACAO, BISCAST, CSPC, ParSU, CBSUA, and UNC

<table>
<tr><th>Name of Office / School</th><th>Responsibilities</th></tr>
<tr><td>DOST V</td><td>(a) Formulate the project proposal;
(b) Provide funds in the amount of Nine Hundred Fifty Thousand Pesos (P950,000.00) for the conduct of research, evaluation and adoption of technology-based development plan/policies;
(c) Prepare the project schedule and work plan to be updated monthly;
(d) Spearhead the creation of project CORE Team with members below. The core team's responsibilities specified in Annex A shall include the implementation of specific activities in the work plan towards the achievement of the deliverables of the project:
<table><tr><th>Position</th><th>Name</th></tr><tr><td>Project Manager</td><td>DOST V</td></tr><tr><td>Core Team Leader</td><td>LGU-Pasacao</td></tr><tr><td>Core Team Technical Advisor</td><td>LGU-Camarines Sur</td></tr><tr><td>Core Team Members</td><td>focal person of BISCAST</td></tr><tr><td></td><td>focal person of CSPC</td></tr><tr><td></td><td>focal person of ParSU</td></tr><tr><td></td><td>focal person of CBSUA</td></tr><tr><td></td><td>focal person of UNC</td></tr></table>(e) Provide assistance to the project area thru Community Empowerment thru Science and Technology (CEST) program that shall focus on the five entry points namely Health & Nutrition, Environmental Protection & Conservation, Economic Development / Livelihood Opportunities, Human Resource</td></tr>
</table>

	Development, and Disaster Risk and Management & Climate Change Adaptation; (f) Conduct regular project monitoring and evaluation following M&E tools as indicated in the workplan-**Attachment B**.
LGU-Camarines Sur	(a) Assist DOST V in leading the Core Team to ensure that the identified programs, projects and activities, formulated development plans, policies and strategies are aligned with the objective of iSTART program, Provincial Development Plan and Development Plan of Pasacao; (b) Assist the LGU-Pasacao in public hearings and consultation meetings, if any.
LGU-Pasacao	(a) Ensure that identified programs, projects and activities are aligned to the objective of iSTART program, Provincial and Municipal Development Plan; (b) Attend regular and special meetings through, but not limited to the designated focal person, and ensure commitments identified in **Attachment A** are implemented; (c) Assist in setting and facilitating meeting arrangements with the parties involved; (d) Provide secondary information sources to parties; (e) Provide counterpart for the implementation of the project identified in **Attachment A.**
BISCAST, CSPC, ParSU, CBSUA, and UMC	(a) Create **in-house project team** led by the designated focal person to include members with professional experiences, and qualifications necessary to perform thorough and competent service and deliver on time the required outputs. Project team members shall apply and submit the necessary documents needed for the **DOST One Expert accreditation** on **March/April 2021** thru the DOST Provincial Science and Technology Center-Camarines Sur; (b) Submit to DOST V detailed project proposal of identified projects in **Attachment A;** (c) Provide counterpart funds for the operationalization and sustainability of the project; (d) Prepare and submit to DOST V signed reports on the progress of the project implementation, a week after the end of each month using the template provided-**Attachment C;** (e) Develop the following for each project to be implemented by the respective institution as stated in **Attachment A:** 1. **Science, Technology and Innovation-based Policies** that will provide mechanisms and procedures for the formulation, adoption, and monitoring of plans; 2. **Incentive packages** that will encourage both local and foreign investors to invest in the identified municipalities that will result in the mutual benefits of its residents and investors; 3. **Technology Based Development Plan** that will provide LGU-Pasacao road map for development and progress involving science and technology. Particularly, it involves strategic plans for the different sectors (social, environment, economic, institution and infrastructure); 4. **Communication Plan** that will provide clear guidelines on how the policies, plans and information gathered will be shared, and also identifying the responsible people to accomplish it; (f) Submit final reports electronically via **ord@ro5.dost.gov.ph and dost5camsur@gmail.com.** and in hardcopy (five copies)

	that are bound separately, following the prescribed report formats; (g) Attend meetings, set and facilitate meeting arrangements with the core team, LGU-Pasacao, and other government agencies deemed necessary; (h) Ensure that identified projects enumerated in **Attachment A** are implemented according to priority set in the workplan – **Attachment B;** (i) Identify and recommend other assistance that can be provided to the project area.

MISCELLANEOUS CONDITIONS

6.1 **Ownership**

6.1.1 Any publication arising from the project undertaken by virtue of and pursuant to this MOA shall clearly establish and identify the parties as the sources of the output.

6.1.2 The name and logo of parties involve or any of its programs and projects may be used for collaterals (digital and large-format publicity and event materials) only if: (i) the prior written consent of parties are obtained; (ii) the use is consistent with the objectives of the Agreement; (iii) there is no alteration; and (iv) the use shall not be for any misleading, fraudulent, immoral, or illegal purpose. The tarpaulin size required under accounting and auditing rules and regulations shall be observed.

7.1 **Project Completion/Termination**

7.1.1 The target projects are as stated in **Attachment A**. The **pre-implementation** activities shall be completed within the period of seven months **(March to September 2021).** Other identified projects shall be implemented after September 2021.

7.1.2 It is deemed terminated as soon as the submission of reports are completed;

8.1 **Force Majeure.** The term "Force Majeure/fortuitous event" shall mean all events which could not be foreseen or although foreseen, were inevitable and beyond the control of **LGU-CAMARINES SUR, LGU-PASACAO, BISCAST, CSPC, ParSU, CBSUA, and UNC**, and which materially affect the ability of all parties to comply with any of its/their obligations under this Agreement, and shall include, among others, acts of war or the public enemy (whether declared or not), fire, earthquake, flood, typhoons, public disorders, sabotage, rebellion, revolution, civil commotion, strikes, lockouts, boycotts or other industrial or labor disputes, acts, orders and rulings of Government, whether national or local, or any of its agencies and instrumentality, which may adversely affect the performance of the respective obligations or the exercise of the respective rights of the Parties, and which could not be attributed to the fault, negligence and participation of the Party/ies or any other cause or causes, whether similar or dissimilar to the foregoing, which are beyond the reasonable control of the Party/ies.

In cases of Force Majeure/fortuitous events and/or when public interest/welfare so demands, **LGU-CAMARINES SUR, LGU-PASACAO, BISCAST, CSPC, ParSU, CBSUA, and UNC** shall have the right and authority to suspend the implementation of this Agreement or any portion hereof without incurring any liability therefore to **DOST V** and without being deemed to be in breach of this Agreement, upon giving reasonable notice thereof to **DOST V.** Once the event of Force Majeure or fortuitous event has already ceased, **LGU-CAMARINES SUR, LGU-PASACAO BISCAST, CSPC, ParSU, CBSUA, and UNC** duly-authorized representative shall immediately notify **DOST V** of

said event of Force Majeure, and the Parties shall evaluate whether to continue implementation of the terms of this Memorandum of Agreement.

9.1 **Governing Law.** This Agreement shall be interpreted, governed and enforced in accordance with the laws of the Republic of the Philippines.

10.1 **Amicable Settlement. LGU-CAMARINES SUR, LGU-PASACAO, BISCAST, CSPC, ParSU, CBSUA, UNC and DOST V** agree that in the event any dispute of difference arising out of this Agreement or in the interpretation of any of the provisions hereof, the respective signatories of the "Parties" shall promptly meet to resolve such dispute or difference and the joint decision of such signatories shall be binding upon the Parties hereto.

11.1 **Entire Agreement and Amendments.** This Agreement and any other provisions or terms specifically incorporated herein constitute the entire agreement of the Parties. This Agreement may be amended only by an instrument in writing signed by all the Parties. The terms, provisions and covenants of any such amendment/s shall inure to the benefit of and be binding upon the Parties hereto, their successors and assigns.

12.1 **Effectivity.** This Agreement shall take effect upon its execution by the Parties and shall remain in force and effect for duration of one(1) year unless otherwise sooner revoked or terminated upon written notice by any.

IN WITNESS WHEREOF, the parties hereto have executed this instrument to be effective this _____ **day of March 2021** at Pasacao, Camarines Sur.

Annex A

Core Team's Responsibilities

Position	Responsibility
Project Manager (DOST V)	1. Guide and provide template to core team members on how to prepare the following: a. Science, Technology and Innovation-based Policies b. Incentive packages c. Technology Based Development Plan d. Communication Plan
Core Team Leader (focal person of LGU-Pasacao)	1. Provide direction to team members to ensure PPA's are aligned to the objective of iSTART program, and Municipal Comprehensive Development Plan; 2. Provide secondary information sources to parties; 3. Ensure continuous communication and reporting among parties through conduct of meetings; 4. Prepares funding proposal to ensure LGU-Pasacao's counterpart for the implementation of the project identified in **Attachment A.**
Core Team Technical Advisor (focal person of LGU-Camarines Sur)	1. Assist DOST V in leading the Core Team to ensure that the identified programs, projects and activities, formulated development plans, policies and strategies are aligned with the objective of iSTART program, Provincial Development Plan and Development Plan of Pasacao; 2. Assist the LGU-Pasacao in public hearings and consultation meetings, if any.
Core Team Members (focal person of BISCAST, CSPC, ParSU, CBSUA and UNC)	1. Undertake research, evaluation and adoption of technology-based development plan/policies following set deliverables of the project; 2. Develop the following as identified in **Attachment A** and submit to DOST V on July 2021 **(1st draft)** and on August 2021 **(final report):** a. Science, Technology and Innovation-based Policies b. Incentive Packages c. Technology Based Development Plan d. Communication Plan. 3. Responsible for creating in-house team members that will function as follows: a. spearhead the completion of identified projects committed by the lead institution indicated in **Attachment A** to be implemented in the municipality of Pasacao according to workplan – **Attachment B**; b. submit to DOST V detailed proposal of each project in **Attachment A**; c. prepare funding proposal to ensure counterpart funds for the operationalization and sustainability of the project; d. prepare and submit to DOST V signed reports on the progress of the project implementation, a week after the end of each month using the template provided- **Attachment C;** e. responsible for seeking solutions to challenges that may arise in the execution of work. 4. monitor the progress of projects; 5. attend/conduct meetings, set and facilitate meeting arrangements with the core team, LGU-Pasacao, and other government agencies deemed necessary.

Attachment A

Project Title : Implementation of Innovation, Science and Technology for Accelerating Regional Technology-Based Development (iSTART)

Project Duration: March to September 2021

Lead Institution	Priority Projects (to be implemented starting March 2021)	Other Projects (to be implemented starting October 2021 onwards)
DOST V /Core Team	1. Conduct of Research, Evaluation and Adoption of Technology Based Development Plan/Policies	2. Implementation of at least five(5) projects under the Community Empowerment thru Science and Technology (CEST)
BISCAST	3. Establishment of Water Conservation Via Rainwater Harvesting	4. Construction of Climate Change resilient pilot housing (UN ESLAP) design + Plan-Building Technology, Green Building Technology 5. Installation of integrated local disaster alert system
CSPC	6. Adoption of E-Governance Systems through ICT	7. Development of Marketable Handicrafts 8. Determination of Source of Potable Drinking Water for Pasacao 9. Consultancy on possible installation of solar power as source of energy
ParSU and CBSUA	10. Improvement of Fish Processing Industry	*(ParSU)* 11. Mangrove and Seagrass Assessment 12.Livelihood Skills Enhancement Training on Fish Processing 13. Fabrication of Low Cost Agri-Fishery Implements/Machineries (Solar Dryer)
		(CBSUA) 14. Development of Coco-Based Agroforestry 15. Farm Tourism 16. Conduct of DRRM Seminars and Workshop 17. Conduct of Agro-Ecological Assessment 18. Conduct of Assessment of Capacity Development in Agriculture and Environment 19. Formulation of DRR Plan for Farm and Fishing Communities 20. Formulation of Feasibility in Capacity Development in Agriculture, Environment and Economy 21. Reinforcement of Riverbank Stabilization through Bio-engineering Technology (Bamboo and Vetiver Grass Plantation, Bamboo Setum)
UNC		22. Improvement of Sanitation and Hygiene of Restaurant and Resort Owners 23. Development of Emergency Response Kit 24. Policy making on mining and quarrying

		25. Policy-making on sanitation of restaurant and resorts operating without business permits 26. Build an Arboretum 27. Cultural Mapping 28. Crafting of Research-based Ordinances and Resolutions
