Dear Director Rivero,

Greetings!

This letter is written in response to the request of your office for Landbank Certification, signed by LBP Branch Manager, for ParSU-Tinambac Bank Account Details for the processing of fund transfer, for the research and development proposal of the mentioned HEI, titled "Mangrove Ecosystem Services Assessment for Conservation Strategies and Stakeholders' Willingness to Pay in San Miguel Bay", amounting to PhP 4,500,000.00.

Please be informed that the University of Partido State University-Tinambac has no separate account, as the Partido State University, as a whole, maintains only one Lanbank Trust Fund Account. In this light, herein is the Landbank Certification for Partido State University Bank Account Details instead.

Should anything of concern arise, please feel free to contact me through my email address.

Thank you very much!

Respectfully yours,

For. Divina P. Chica
