TERMS OF REFERENCE

Personnel Requirements / Team Composition

The Project will be managed by:

Project Leader:	For. Divina Chica – Faculty PSU – Tinambac Campus
Project Staffs:	For. Ceazar Ian Pesimo Faculty, PSU – Tinambac Campus
	Engr. Irene Asetre – Faculty, PSU – Tinambac Campus
	FT. Mikka Ella Cabrera – Faculty, PSU – Tinambac Campus
	EnP. Carlo Gabriel Abante – Faculty, PSU – Tinambac Campus
	Dr. Raul G. Bradecina – SUC President, PSU-Goa

The Project Leader shall:

- Lead in the overall implementation of activities and in the accomplishment of the project objectives
- Lead and facilitate the collection of secondary data on the following subjects: (1) applied Geographic Information System (GIS) and Remote Sensing (RS) on mangrove vegetation analysis; (2) Behavioral studies among coastal communities towards the utilization and conservation of coastal resources; (3) Fishery productivity in relation to mangrove cover; and (4) Resource valuation and CVM
- Lead the coordination with different offices with regards to the implementation of the study.
- Facilitate and assist in the conduct of activities under every component of the project as follows:
    - Component 1: Community Structure and Biodiversity Assessment of Mangrove Ecosystem in San Miguel Bay
    - Component 2: Inventory of Ecosystem Services of Mangrove Forest and Narrative of the Benefits to Coastal Communities of San Miguel Bay
    - Component 3: Assessment of Fisheries Production of Mangrove Ecosystem in San Miguel Bay
    - Component 4: Contingent Valuation Study on Mangrove Forest Ecosystem Conservation and the fisher folks and coastal communities in San Miguel Bay
    - Component 5: Socio-Psychological Factors affecting Utilization and Willingness to Participate in the Management and Conservation of Mangrove Ecosystem of San Miguel Bay
- In-charge in the implementation of activities i.e., drafting of questionnaires, data collection, data analysis, interpretation, and report writing, under Component 4 of the project.
- Prepare separate progress report for Component 4.
- Assist in the preparation of progress report per component in line with the preparation of Quarterly Report.
- Assist in the writing of separate final report for each component of the project.
- Collate data and facilitate the Final Report writing.
- Attend to all concerns of the Project.

NOV 11 2022

The Project Staff shall:

For. Ceazar Ian Pesimo

- Component leader (Component 1): In-charge in the overall implementation of activities (data collection, data analysis, and write-up), in collaboration with the other project proponents and project support staffs
- Prepare separate progress report for Component 1.
- Assist in the collection of primary and secondary data applicable to other project components i.e., components 2, 3, 4, and 5.
- Assist other project members in the preparation of progress report for other component in line with the preparation of Quarterly Report.
- Coordinate with different offices regarding the logistics necessary for the implementation of activities.
- Assist the project leader and other project staff in the preparation, submission, monitoring, and fast-tracking of administrative papers and other documents necessary for the smooth implementation of activities under the project.

Eng. Irene Asetre

- Component leader (Component 2): In-charge in the overall implementation of activities (data collection, data analysis, and write-up), in collaboration with the other project proponents and project support staffs
- Prepare separate progress report for Component 2.
- Assist in the collection of primary and secondary data applicable to other project components i.e., components 2, 3, 4, and 5.
- Assist other project members in the preparation of progress report for other component in line with the preparation of Quarterly Report.
- Coordinate with different offices regarding the logistics necessary for the implementation of activities.
- Assist the project leader and other project staff in the preparation, submission, monitoring, and fast-tracking of administrative papers and other documents necessary for the smooth implementation of activities under the project.

LFT Mikka Ella Cabrera

- Component leader (Component 3): In-charge in the overall implementation of activities (data collection, data analysis, and write-up), in collaboration with the other project proponents and project support staffs
- Assist in the collection of primary and secondary data applicable to other project components i.e., components 2, 3, 4, and 5.
- Prepare separate progress report for Component 3.
- Assist other project members in the preparation of progress report for other component in line with the preparation of Quarterly Report.
- Coordinate with different offices regarding the logistics necessary for the implementation of activities.
- Assist the project leader and other project staff in the preparation, submission, monitoring, and fast-tracking of administrative papers and other documents necessary for the smooth implementation of activities under the project.

EnP. Carlo Gabriel Abante

- Component leader (Component 5): In-charge in the overall implementation of activities (data collection, data analysis, and write-up), in collaboration with the other project proponents and project support staffs.
- Facilitate and assist in all components concerning the application of Geographic Information System (GIS) and Remote Sensing (RS) in mangrove ecosystem assessment.
- Assist in the collection of secondary data on the application of GIS and RS in all components of the project.
- Facilitate the collection of primary data for ground verification of GIS and RS elements and attributes on the map.
- Assist in the collection of primary and secondary data applicable to other project components i.e., components 2, 3, 4, and 5.
- Prepare separate progress report for Component 5.
- Assist other project members in the preparation of progress report for other component in line with the preparation of Quarterly Report.
- Coordinate with different offices regarding the logistics necessary for the implementation of activities.
- Assist the project leader and other project staff in the preparation, submission, monitoring, and fast-tracking of administrative papers and other documents necessary for the smooth implementation of activities under the project.

Dr. Raul G. Bradecina

- Assist in the collection of primary and secondary data applicable to other project components i.e., components 2, 3, 4, and 5.
- Provide supervision in the implementation of project components aligned to expertise.
- Coordinate with the project members in line with the processing of documents and implementation of activities.
- Assist other project members in the preparation of progress report for other component, in line with the preparation of Quarterly Report.
- Assist the project leader and other project staff in the monitoring, and fast-tracking of administrative papers and other documents necessary for the smooth implementation of activities under the project.
