Dear **President Bradecina:**

This has reference to the implementation of the PCAARRD-supported technology transfer project titled, "**Project 1-F. Developing the Intellectual Property and Technology Business Management (IP-TBM) in ParSU through RAISE Program**", under the leadership of Prof. Michael C. Barbecho.

As part of our periodic assessment of the project activities and deliverables, we would like to request for a face-to-face monitoring and evaluation activity with the implementing units and beneficiaries (researchers with startup/spinoff, licensees, and trainees) of the abovementioned projects on **August 24, 2022**. Likewise, we would like to request for assistance on vehicle and accommodation arrangements during the said activities.

Our staff, Ms. Mae A. Dagaas and Ms. Cherry B. Bundalian, will coordinate with your office regarding the details of this activity. For inquiries and clarifications, you may contact us at telephone numbers 536-1574 and 536-7926. We have enclosed our tentative travel itinerary, for your reference.

Thank you very much and we look forward to your favorable response on this request.
