Dear **Dr. Ebora**:

Greetings!

We are writing to you in relation to the RAISE Bicol Program *Project 1 Entitled "Project 1-F. Developing the Intellectual Property Technology Business management (IP- TBM)" in the Partido State University (ParSU) through RAISE.* The implementation of the project is on its highest point of success and achieving a remarkable achievements towards on completing the project.

However, due to the problems encountered in the procurement process in Partido State University (ParSU), the budget from the previous year was not fully obligated and utilized. In this regard we would like to respectfully request that the Unexpended Budget in the total amount of Six Hundred Thirty thousand Six Hundred Seventeen Pesos and forty Centavos (₱ 630,617.40) with One Hundred Seventy-Three Thousand Four Hundred Twenty Pesos (₱ 173,420.00) in Personal Services and Four Hundred Fifty- Seven Thousand One Hundred Ninety-Five Pesos (₱ 457,195.00) in Maintenance and Other Expenses (MOOE) be utilized.

Should this request be approved, the unexpended budget specifically the remaining budget in representation expenses will be added to travel expenses. We are hoping that this request merit your kind consideration and approval. Please see the attached supporting documents for the said project.

(1) Proposed Unutilized Budget Plan
(2) Y2 Workplan
(3) Y2 Annual Financial Report (September 30, 2023)
(4) Y2 Report of Disbursement (September 30, 2023)

I hope you will find the documents in order. Thank you for your continued support to Partido State University

Very truly yours,

Dear **Dr. Ebora**:

Greetings!

Partido State University as grantee of the Department of Science and Technology- Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (DOST-PCAARRD) project titled "Developing the Intellectual Property-Technology Business Management (IP-TBM) in Partido State University through Regional Agri-Aqua Innovation System Enhancement (RAISE)" is pleased to informed you that the project is currently on its peak of implementation and achieving remarkable accomplishments towards completing the project objectives and expected output.

At this time, the project is experiencing a problem with regards to the procurement of supplies and materials, the equipment needed for the project activities because of low amount of the budget for the contract.

As an alternative, we have prepared an internally – reprogrammed LIB to address the financial issues and concern of the project. Specifically, on the Maintenance and Other Operating Expenses (MOOE), to expedite the processing the abovementioned concerns. It is also necessary to reprogram to maximize the utilization of the funds. Detailed Adjustment are reflected below.
