NOTICE TO PROCEED

Ms. Hazel Jean C. Pesino
Project Leader, CATCHFISH
Partido State University
Goa, Camarines Sur

Subject: Notice to Proceed under Memorandum of Agreement (MOA) for CATCHFISH Project

Dear Ms. Pesino,

This is to officially notify you that pursuant to the terms and conditions of the MOA between Partido State University and WWF Philippines, we are hereby issuing the Notice to Proceed for the implementation of the CATCHFISH project: Collaborative ICT-Based Tools for Optimize Fishing Repository and Catch Efficiency Towards a Sustainable Use and Development.

The CATCHFISH project aims to develop an innovative repository that will be able to accurately record information about the fisheries community, fishing resources, and fish catch along the coastline in Lagonoy gulf. The project implementation period is from January to December 2024, commencing from the date of this Notice to Proceed.

Key details and instructions regarding the implementation of the CATCHFISH project are outlined as follows:

1. **Project Commencement Date**: The project shall commence on January 3, 2024, which is the date of issuance of this Notice to Proceed.

2. **Project Team**: The project team members from both parties are expected to convene for an initial kick-off meeting within seven (7) days from the commencement date to discuss project timelines, deliverables, responsibilities, and other relevant matters.

3. **Project Deliverables**: The specific deliverables and milestones outlined in the MOA shall serve as the basis for project implementation. The parties shall work collaboratively to achieve the agreed-upon objectives within the designated timeline.

4. **Reporting Requirements**: Regular progress reports and updates shall be submitted by the project team in accordance with the reporting schedule specified in the MOA. These

reports shall include updates on project activities, milestones achieved, challenges encountered, and any other pertinent information.

5. **Project Contact Persons**: The designated project managers or focal points from both parties shall serve as the primary points of contact for all project-related communications, queries, and coordination efforts.

6. **Project Budget**: The financial provisions and disbursement mechanisms outlined in the MOA shall be adhered to throughout the project implementation period. Any deviations or amendments to the budget must be duly documented and approved by both parties.

7. **Project Closure**: Upon successful completion of the project deliverables and objectives, the parties shall convene for a project closure meeting to review outcomes, lessons learned, and next steps for dissemination or follow-up activities.

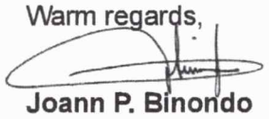

Please acknowledge receipt of this Notice to Proceed by signing and returning the enclosed copy to signify your agreement to commence with the implementation of the CATCHFISH project in accordance with the terms and conditions of the MOA.

We are excited to embark on this collaborative endeavor with your respected organization and look forward to a productive and successful partnership in achieving the objectives of the CATCHFISH project.

Should you have any questions or require further clarifications, please don't hesitate to contact Astrid Ocampo at aocampo@wwf.org.ph or Marietta Calacal at mcalacal@wwf.org.ph .

We anticipate a fruitful collaboration ahead.

Warm regards,

Joann P. Binondo
