is hereby awarded to

MR. KENNEDY C. CUYA

in recognition of his unwavering support to the directions and vision of Partido State University, outstanding performance of the duties and roles given to him on top of the regular functions of a faculty member, and for his services rendered to the University beyond the call of duty, thereby contributing immensely to the good name and prestige of the University.

Given this 5th day of March, 2020 at Partido State University, Goa, Camarines Sur, Philippines.

RAUL G. BRADECINA, Ph.D.
SUC President III, Partido State University

N.B.

The University Presidential Citation (UPC) award is conceived to recognize and record for posterity the notable achievements, performance, loyalty, dedication, and service beyond the call of duty of any of the members of the University Academic Community thereby exemplifying the quest for excellence and ideals of the institution.

It would be noted that unlike in the usual way where awards are given to those who applied or recommended and have passed the evaluation and screening, the UPC is given at the absolute discretion of the University President. This is to avoid any technicality that might defeat the solemnity of the award and jeopardize the very purpose of giving it.

Anybody at anytime can be recipient of UPC; provided, however, that he is a member of the PSU Academic Community who contributed immensely to the good name and prestige of the University thru the manifestation of any of the following:

1. Made notable achievement in his studies, career, field of specialization, position, duties or functions;
2. Pursued excellence;
3. Lived up to the ideals and aspirations of the University;
4. Rendered service to the University even beyond the call of duty; and,
5. Performed his duties to the University with utmost loyalty and dedication.
