**PARTIDO STATE UNIVERSITY**
Camarines Sur

*This*

# *Presidential Citation Award*

*is hereby given to*

# DR. KENNEDY C. CUYA

in heartfelt recognition of his innovation in the development of the Partido State University Teaching Effectiveness eXchange System (ParSUTEx).

Through his technical expertise, creativity, and commitment to advancing instructional quality, Dr. Cuya developed a system that enhances the evaluation and exchange of teaching effectiveness within the University. The ParSUTEx serves as an important digital platform that supports data-driven assessment, promotes continuous improvement in teaching practices, and strengthens the University's commitment to academic excellence.

His innovation contributes significantly to the modernization of academic processes and reinforces the University's pursuit of quality education through the integration of technology and evidence-based instructional enhancement.

His contribution exemplifies ingenuity, dedication, and a strong commitment to advancing innovation in Partido State University.

Given this 6th day of March, 2026 at Partido State University.

**ARNEL B. ZARCEDO, EDEL**
SUC President III
