This

PRESIDENTIAL CITATION

Is hereby awarded to

HAZEL JEAN C. PESINO

In heartfelt recognition of her outstanding contributions as the lead proponent of the CATCHFISH SYSTEM, a collaborative ICT-based tool for an optimized fishing repository and catch efficiency towards sustainable use and development, funded by the World Wide Fund for Nature Philippines. Her visionary work has been adopted by various local government units and fishing cooperatives, serving as a vital tool in promoting responsible and sustainable fishing practices.

Her efforts have not only empowered coastal communities but have also strengthened Partido State University's role in community-based, science-driven solutions for environmental sustainability.

Given this 28th day of March 2025 at Partido State University, Goa, Camarines Sur.

ARNEL B. ZARCEDO, EDEL
SUC President III
