MEMORANDUM OF UNDERSTANDING

between

Science and Technology Innovation Center for Taiwan-Philippines Indigenous Knowledge, Local Knowledge and Sustainable Studies, National Chengchi University, Taiwan, R.O.C.

and

Partido State University, Philippines

Science and Technology Innovation Center for Taiwan-Philippines Indigenous Knowledge, Local Knowledge and Sustainable Studies (hereafter referred to as CTPILS), National Chengchi University, Taiwan, and Partido State University agree to execute this Memorandum of Understanding for the purpose of developing mutual cooperation and exchange.

1. This agreement aims to promote international academic cooperation and research experiences between the center and university.

2. The two entities will cooperate in developing friendship and mutual interests on a reciprocal basis, and to respect the independence of each entity.

3. The two entities agree to:

   a. Exchange academic materials and information;
   b. Mutually receive educational visits by faculty members and researchers;
   c. Hold joint international conferences;
   d. Conduct joint research projects;
   e. Engage in other activities to better enhance mutual understanding and collaboration.

4. The implementation of each specific exchange activity based on this MoU shall be separately negotiated and determined by both entities. Efforts will be made by both sides to find financial sources to carry out these exchanges.

5. CTPILS designates the Principal Investigator and Partido State University designates the University President, as their respective representatives for the full implementation of this MoU.

5. MoU Duration: This MoU shall be in effect until 2026/12/31 and is subject to revision or modification by mutual written agreement. This MoU may be terminated by either entity at any given time by giving written notice at least six (6) months in advance to the other entity. This MoU shall take effect from the date of the latest signature below.

6. This MoU is executed in English in two originals and each entity will retain one original.
