MEMORANDUM
No. 7, s. 2022

TO : **ALL SGS FACULTY (CORE, SHARED, PART-TIME)**

FROM : **OFFICE OF THE DEAN**

DATE : **JANUARY 31, 2022**

SUBJECT : **UPLOADING OF MATERIALS IN MOODLE & ACCESS TO TURNITIN**

---

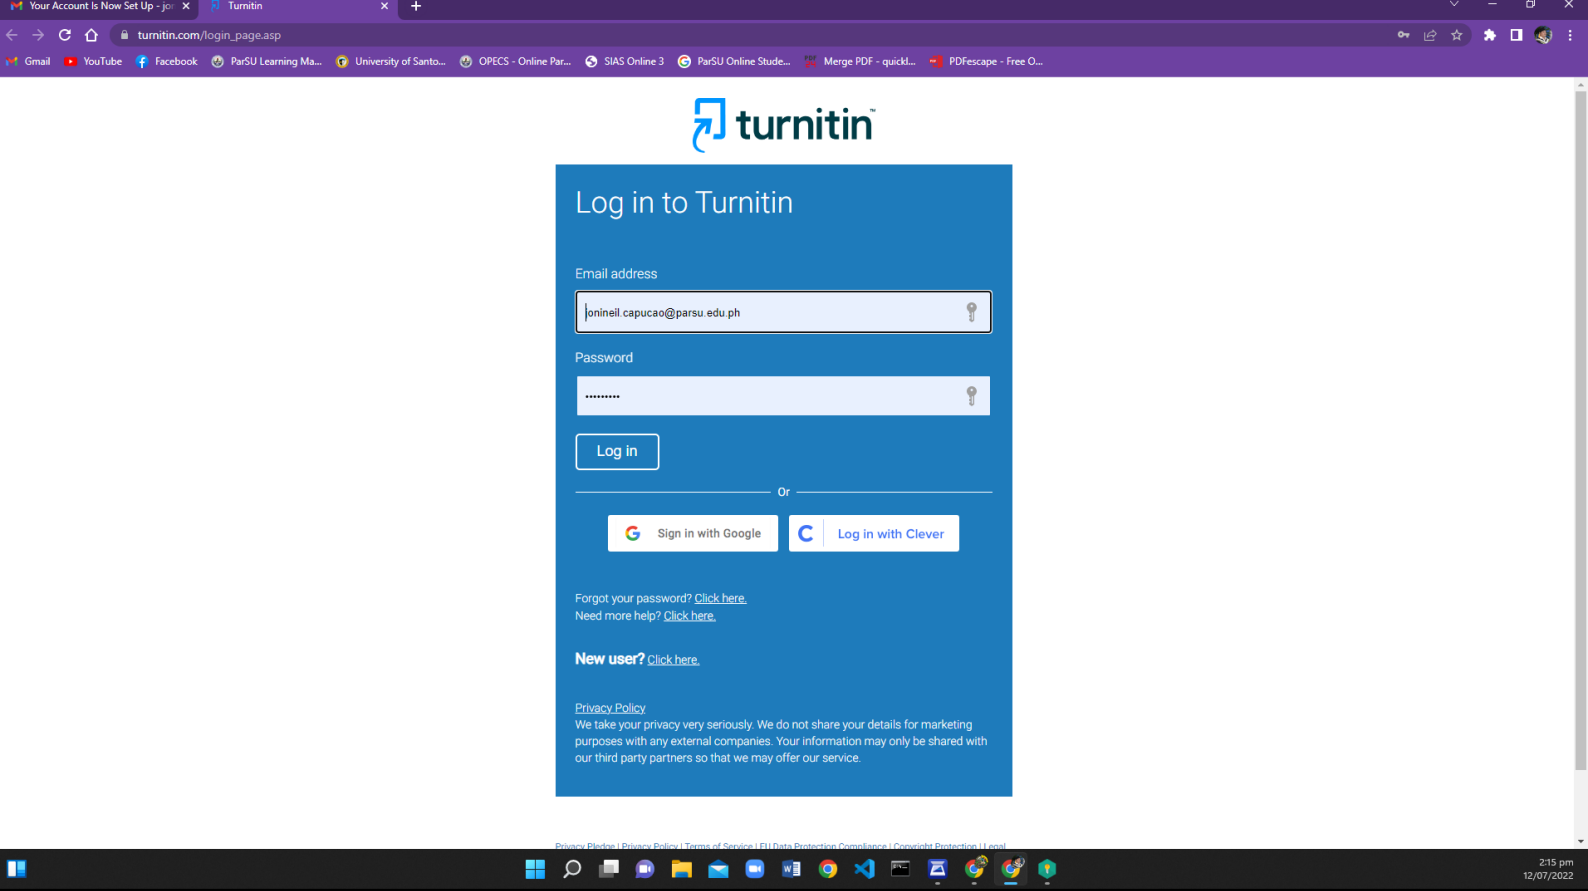

(1) May I remind all SGS faculty that by this time you should have uploaded your modules and materials in your MOODLE courses for WEEK 1-2. That would be one of the bases for the approval of your DTR of January 2022.

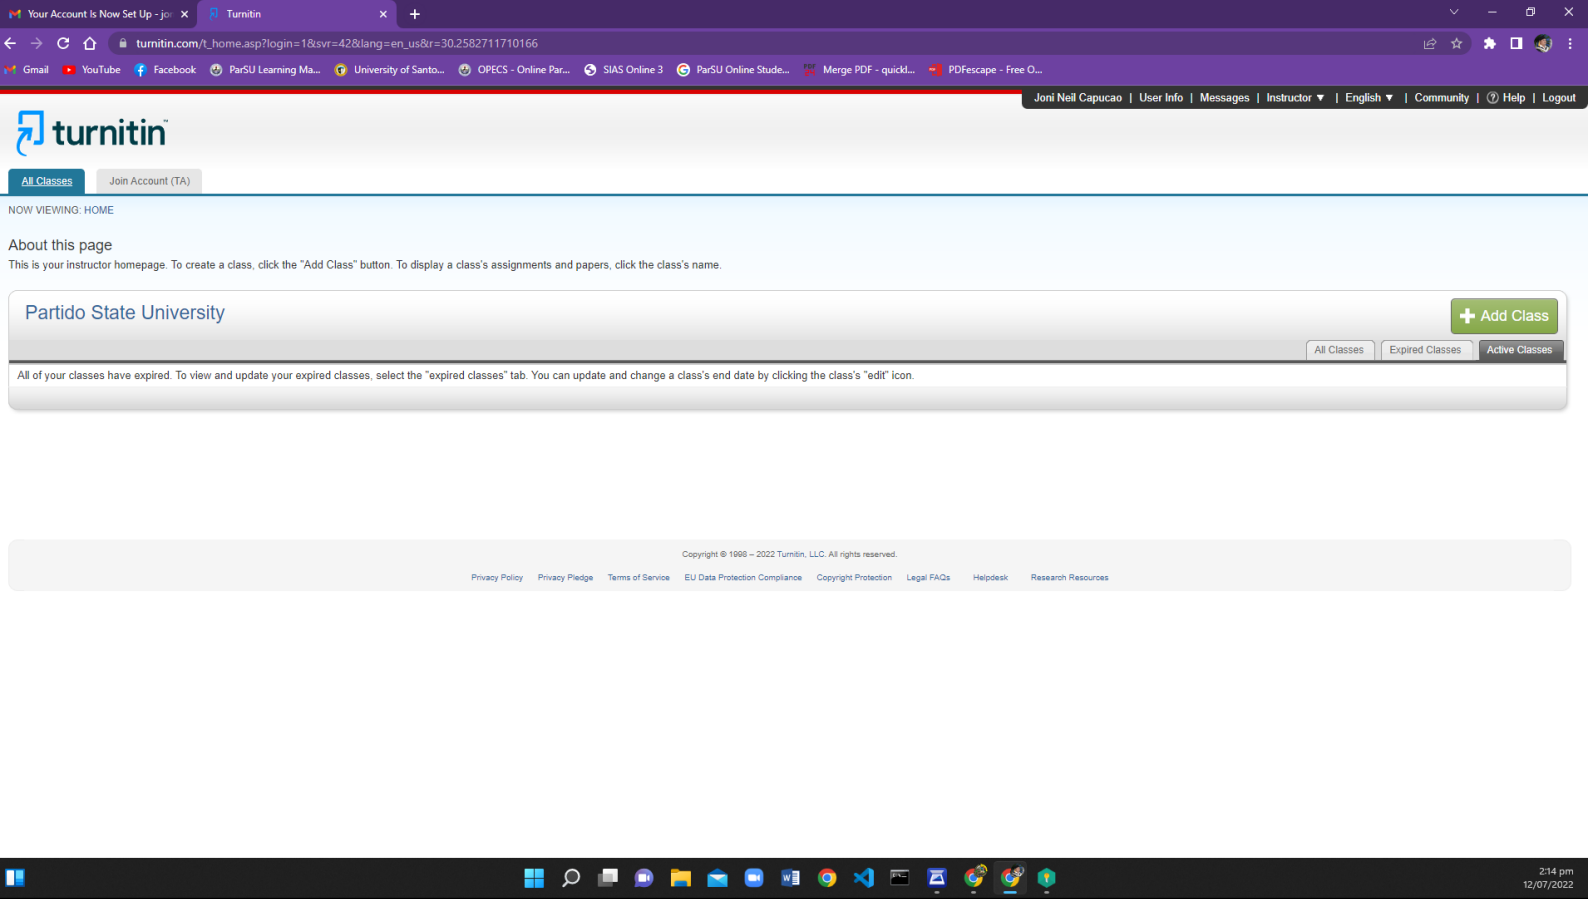

The modules should contain the topic, period covered (SPECIFY WEEK NO.), brief introduction, learning outcomes, learning content/materials, learning activities, assessment task and references. The learning activities and assessment can be combined. The materials that you upload should be in the context of the modules, as opposed to posting materials in a series without the corresponding processing activity. You may opt to record your synchronous classes, post the link in your MOODLE account, and indicate the topic/s covered in the session. With this, your students have the opportunity to re-watch past discussions.

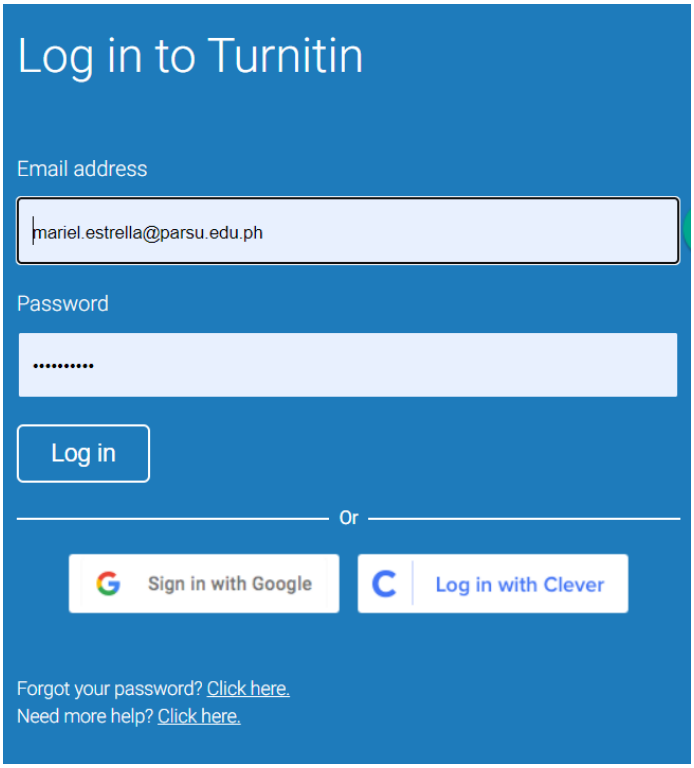

(2) The College of Business and Management owns a subscription with TURNITIN. The CBM Dean and also a faculty of the School of Graduate Studies, Dr. Rina Abner, has so kindly offered to give the SGS faculty access to said subscription. In this regard, please send a message through the messenger of "Jaymar Briones" if you want to be included in the list to be given access.

For your information and compliance.

BERNADETTE G. GUMBA, PhD, CPA
Dean
