SUBJECT: UPDATED LIST OF LIBRARY ONLINE RESOURCES

Electronic resources have become a trend and an indispensable component of Library Services, these comprise a wide range of collections such as e-books, e-journals, databases and other multimedia contents. The integration of electronic resources in the library enhances immediate access to vast amounts of information and also fosters an effective and efficient learning environment.

The Partido State University Library Services Office encourages all faculty members and students to fully utilize the available online resources and to maximize the use of these tools in support of learning and research. Faculty and students are strongly encouraged to explore the wide range of electronic resources provided. Through collective engagement with these resources, we can further strengthen and enrich our academic community.
